Subject: 1st/10th SFG(A) Stuttgart Fire Victims fund

To all donors

When the call went out to the Special Forces Association that some active duty Special Forces soldiers had lost everything in a warehouse fire in Germany, the membership responded in true Special Forces fashion. Many outside companies, organizations and agencies responded also. Within a manner of weeks donations had exceeded \$29,000.00. Your donations made it possible for 17 families to have a Christmas and take care of their immediate needs during this difficult time.

The Special Forces Association is a tax exempt fraternal organization. Our EIN number is 56-6148492. Your donations to this fund are tax deductible.

On behalf of the victims, the Board of Officers and the entire membership thank you very much for your generosity.

Ronnie A. McCan

President
