Office of the Commander

Mr. Ron MeCan

President Special Forces Association  
PD Box 41436 Fayetteville, NC

Dear Mr. MeCan,

On behalf of the Soldiers of 1-10 SFG{ A) whose Household goods were destroyed in the 30 October 2010 warehouse fire, I would like to thank the Special Forces Association for their very generous donation. The Association's generosity has had a profound impact on the well-being of our Soldiers and their Families, at a time when they needed support the most,

Military families don't have a physical home in the traditional sense. Rather, our home travels with us when we PCS, We don't have a house more often than not, but we have things that mark the passage of time and the accumulation of fond memories, A tragedy like this strikes at the heart of our force and is a blow to our families,

The Special Forces Association's gift has helped assuage some of the angst brought on by this tragedy. Consequently, our Soldiers\* have remained focused on the mission and our families have remained strong. The SFA's actions delivered a powerful message of compassion and brotherhood and demonstrated the Association's resolve to promote the general welfare of the Special Forces community,

Again, on behalf of the Soldiers of 1-10 SFCHA I thank you for your generosity.

De Oppres&o Liber!

Sincerely,

A handwritten signature in cursive script that reads "Isaac J. Peltier".
